03<sup>rd</sup> February 2022

**Friends and Colleagues,**

**Re: New Board Installation Banquet**

In October of last year, the BSE elected a new slate of officers to sit on the Board of Directors for the operating years 2021-2023. To commemorate this occasion, we plan to have a Banquet at **7:00pm on March 18<sup>th</sup>, 2022**. The current venue under consideration is the Balmoral Club, Sanford Drive, Nassau, The Bahamas.

We wish to extend a cordial invitation to join us for dinner and take part in this event. The BSE members and friends are aiming to hear from Alfred Sears, Minister of Works on the plans the new government has for works and infrastructure, post Dorian recovery effort, BPL and other developments throughout The Bahamas. Entertainment, networking opportunities, the announcement of past year BSE accomplishments and new goals for 2022 will be presented. Covid restrictions will be enforced.

**A portion of the proceeds will be dedicated to sponsorship of community events or towards a scholarship for a University of The Bahamas Student.**

Thank you for your participation in previous BSE events and we look forward to your full support. Please contact us should you have any questions or concerns.

Sincerely,

**Davon Edgecombe, P.E.**  
**President**
