

PROCLAMATION

WHEREAS, Engineers use their scientific and technical knowledge and skills in creative and innovative ways to fulfill society's needs;

AND WHEREAS, Engineers face major technological challenges of our time - from rebuilding towns devastated by natural disasters, protecting the environment, and assuring safe, clean, and efficient sources of water, energy, and communication, to designing transportation, infrastructure and information systems that will propel our nation into the future;

AND WHEREAS, Engineers contribute to our welfare, convenience, safety, and comfort: which make a world of difference for the citizens of the Commonwealth of The Bahamas;

AND WHEREAS, Engineers are encouraging our young math and science students to realize the practical application of their knowledge;

AND WHEREAS, The efforts and contributions of the Engineering profession should be acknowledged;

AND WHEREAS, We will look more than ever to Engineers for their knowledge and skills to meet the challenges of the twenty-first century and beyond;

NOW, THEREFORE, I, Philip E. Davis, Prime Minister of The Commonwealth of The Bahamas, do hereby proclaim the week beginning Sunday, 20th February, 2022 and ending Saturday, 26th February, 2022 as "**NATIONAL ENGINEERS WEEK**" in the Commonwealth of The Bahamas, and urge our citizens to be aware of the contributions Engineers make each day to our safety, convenience and quality of life.

IN WITNESS WHEREOF, I have
hereunto set my Hand and Seal
this 24th day of January, 2022.

PHILIP E. DAVIS

PRIME MINISTER
